List of graphs

GRAPH 1: CO₂-energy emissions (MtCO₂) ........................................................................................................... 8
GRAPH 2: Installed electric capacity by source (2017, %) ...................................................................................... 14
GRAPH 3: Gross power production by source (TWh) .............................................................................................. 14
GRAPH 4: Power generation by source (2017, %) .................................................................................................. 15
GRAPH 5: Gasoline & diesel prices (€/l) ................................................................................................................ 17
GRAPH 6: Electricity prices for industry and households (€c/kWh) ........................................................................... 18
GRAPH 7: Gas prices for industry and households (€c/kWh GCV) .......................................................................... 19
GRAPH 8: Consumption trends by energy source (Mtoe) ......................................................................................... 20
GRAPH 9: Total consumption market share by energy (2017, %) .......................................................................... 21
GRAPH 10: Final consumption market share by sector (2017 %) ......................................................................... 21
GRAPH 11: Oil consumption (Mt) .......................................................................................................................... 22
GRAPH 12: Oil consumption breakdown by sector (2017, %) .............................................................................. 22
GRAPH 13: Electricity consumption (TWh) .............................................................................................................. 23
GRAPH 14: Electricity consumption breakdown by sector (2017, %) .................................................................... 23
GRAPH 15: Natural gas consumption (bcm) ............................................................................................................ 24
GRAPH 16: Gas consumption breakdown by sector (2017, %) ............................................................................ 24
GRAPH 17: Oil shale consumption (Mt) ................................................................................................................... 25
GRAPH 18: Oil shale consumption breakdown by sector (2017, %) ..................................................................... 25

List of tables

Table 1: Economic indicators

- Population, GDP growth
- Imports & exports
- Inflation rate, exchange rate
- Energy security and efficiency indicators
- CO₂ emissions
Table 2: Supply indicators
- Oil & Gas proven reserves
- Electric & refining capacity detailed by source
- Production by energy source
- Power production by source
- External trade by energy source

Table 3: Demand indicators
- Consumption / inhabitant and consumption trends
- Total consumption by energy source
- Final consumption by energy source and by sector
- Electricity consumption by sector

Table 4: Energy Balance
- Total energy balance
- Detailed energy balance by energy source

Table 5: Power capacity development status by energy

Table 6: Gas infrastructures and contracts
- Main gas plant projects
