LIST OF GRAPHS

GRAPH 1: CO₂-energy emissions (MtCO₂)........................................................................................................... 13
GRAPH 2: Installed electric capacity by source (2018, %)......................................................................................... 19
GRAPH 3: Gross power production by source (TWh).................................................................................................. 20
GRAPH 4: Power generation by source (2018, %)...................................................................................................... 20
GRAPH 5: Gasoline & diesel prices (€/l).................................................................................................................... 23
GRAPH 6: Electricity prices for industry and households (€c/kWh)............................................................................. 24
GRAPH 7: Gas prices for industry and households (€c/kWh GCV)............................................................................... 25
GRAPH 8: Consumption trends by energy source (Mtoe)............................................................................................. 26
GRAPH 9: Total consumption market share by energy (2018, %).............................................................................. 27
GRAPH 10: Final consumption market share by sector (2018, %).............................................................................. 27
GRAPH 11: Oil consumption (Mt)............................................................................................................................ 28
GRAPH 12: Oil consumption breakdown by sector (2018, %)................................................................................... 28
GRAPH 13: Electricity consumption (TWh)................................................................................................................ 29
GRAPH 14: Electricity consumption breakdown by sector (2018, %)....................................................................... 29
GRAPH 15: Natural gas consumption (bcm)............................................................................................................... 30
GRAPH 16: Gas consumption breakdown by sector (2018 %).................................................................................... 30
GRAPH 17: Coal consumption (Mt)............................................................................................................................ 31
GRAPH 18: Coal consumption breakdown by sector (2018, %)................................................................................ 31

LIST OF TABLES

Table 1: Economic indicators
- Population, GDP growth
- Imports & exports
- Inflation rate, exchange rate
- Energy security and efficiency indicators
- CO₂ emissions
Table 2: Supply indicators
- Oil & Gas proven reserves
- Electric & refining capacity detailed by source
- Production by energy source
- Power production by source
- External trade by energy source

Table 3: Demand indicators
- Consumption / inhabitant and consumption trends
- Total consumption by energy source
- Final consumption by energy source and by sector
- Electricity consumption by sector

Table 4: Energy Balance
- Total energy balance
- Detailed energy balance by energy source

Table 5: Power capacity development status by energy

Table 6: Gas infrastructures and contracts
- Main gas plant projects
- Main LNG contracts
